

1.SHISHUAAGAR(NURSING APP):

SHORT DESCRIPTION:

Shishuaagaar - Empowering new moms with breastfeeding guidance, baby care tracking, and expert consultation in one easy-to-use app.

FULL DESCRIPTION:

We support and guide you through every step of your breastfeeding journey—from pregnancy to weaning.

Shishuaagaar is a comprehensive app dedicated to providing personalized breastfeeding support for new moms. Whether you're preparing for breastfeeding during pregnancy, navigating the early days of lactation, or managing the challenges of weaning, Shishuaagaar is here to help at every stage.

How does Shishuaagaar work?

It's simple and intuitive. Input your and your baby's details, and explore our tailored resources and tools designed specifically for your needs. Whether you have questions about breastfeeding techniques, your baby's development, or managing breastfeeding challenges, Shishuaagaar offers you expert-guided answers based on your unique situation.

What can you consult Shishuaagaar for?

Shishuaagaar covers all aspects of breastfeeding, from pregnancy through the first year and beyond. The app also addresses special cases such as premature babies, twins or multiples, health concerns for both mother and baby, and how

to balance breastfeeding with formula feeding or returning to work. Our goal is to empower you with the knowledge and support you need to make informed decisions.

Key Features:

- **Personalized Breastfeeding Consultations:** Access a wealth of information tailored to your specific circumstances. Whether you're dealing with latching issues, milk supply concerns, or weaning strategies, Shishuaagaar provides you with expert advice and solutions.
- **Breastfeeding Tracker:** Log each breastfeeding session with details such as start and end time, which breast was used, any discomfort or health issues, and whether formula milk was given. This data can be reviewed by healthcare professionals to provide personalized consultations.
- **Diaper Change Log:** Keep track of your baby's diaper changes, including timing, texture, and color of the baby's poop. This helps monitor your baby's health and identify any potential issues early on.
- **Baby Profile Management:** Record and update your baby's essential details, including birth weight, height, gender, and developmental milestones. This information is crucial for regular check-ups and ensures that your baby's progress is closely monitored.
- **Expert Video Tutorials:** Access a library of videos covering essential breastfeeding topics, from basic techniques to advanced tips for overcoming common challenges.

- **Interactive Content Page:** Get answers to frequently asked questions with our easy-to-navigate content section. Simply select a question to reveal expert advice and practical tips.

PRIVACY POLICY:

Purpose of Data Collection: We collect and process your personal data to provide you with personalized breastfeeding support and baby care services through the Shishuaagaar app.

User Consent: By using the Shishuaagaar app, you consent to the collection and processing of your personal data in accordance with this privacy policy.

Types of Data Collected: We collect information such as your name, email address, baby's details (e.g., birth weight, height), and health information relevant to breastfeeding and baby care.

Data Usage: The data collected is used to tailor the app's features to your specific needs, provide personalized advice, and facilitate consultations with healthcare professionals.

Third-Party Access: Your data may be shared with authorized healthcare professionals within the app for consultation purposes. We do not sell or share your personal data with third parties for marketing purposes.

Data Security: We implement strict security measures to protect your personal data from unauthorized access, alteration, or disclosure.

User Rights: You have the right to access, modify, or delete your personal data at any time. You can also withdraw your consent to data processing by contacting us.

Data Retention: Your personal data will be retained only for as long as necessary to provide the services and fulfill legal obligations.

Changes to the Privacy Policy: We may update this privacy policy from time to time. It is your responsibility to review the policy periodically to stay informed of any changes.

Contact Information: For any questions or concerns regarding your data or this privacy policy, please contact us.

2.BUYOGANIC :

1. Short Description:

Buyoganic - Effortlessly track and manage plastic waste, access recycling solutions, and engage in eco-friendly practices with our comprehensive app.

2.Full Description:

Buyoganic is your ultimate solution for managing plastic waste and promoting a sustainable environment.

Designed to help you track, recycle, and reduce plastic waste, Buyoganic offers a range of features to support your eco-friendly journey.

Key Features:

Plastic Waste Collection: Easily schedule and manage plastic waste pickups from your location. The app helps you keep track of when and where your waste will be collected, ensuring a hassle-free recycling process.

Recycling Solutions: Access detailed information on how to properly recycle various types of plastic and other materials. Our app provides guidelines and tips to help you understand the recycling process.

EcoHub: Connect with local recycling centers and eco-friendly organizations. Find out how you can contribute to community recycling efforts and stay informed about local sustainability initiatives.

EcoFertile: Discover how to turn organic waste into valuable compost for your garden. Get practical advice on composting and explore how you can contribute to a circular economy.

User-Friendly Tracking: Monitor your recycling activities and track the impact of your efforts on reducing plastic waste. The app provides insights and statistics to help you stay motivated.

Community Engagement: Join discussions, participate in events, and connect with other environmentally-conscious users through our app's community features.

Buyoganic is committed to helping you make a positive impact on the environment by providing easy-to-use tools and resources for managing plastic waste and promoting recycling. Download Buyoganic today and start making a difference!

3.Privacy Policy

Purpose of Data Collection: We collect and process your personal data to provide you with effective waste management services and enhance your experience with Buyoganic.

User Consent: By using the Buyoganic app, you consent to the collection and processing of your personal data in accordance with this privacy policy.

Types of Data Collected: We collect information such as your name, contact details, address for waste collection, and details related to your recycling and composting activities.

Data Usage: The data collected is used to manage waste collection schedules, provide you with recycling and composting information, and improve the app's features and services.

Third-Party Access: Your data may be shared with authorized waste collection services and recycling centers for operational purposes. We do not sell or share your personal data with third parties for marketing purposes.

Data Security: We implement stringent security measures to protect your personal data from unauthorized access, alteration, or disclosure.

User Rights: You have the right to access, modify, or delete your personal data at any time. You can also withdraw your consent to data processing by contacting us.

Data Retention: Your personal data will be retained only as long as necessary to provide the services and meet legal obligations.

Changes to the Privacy Policy: We may update this privacy policy periodically. It is your responsibility to review the policy to stay informed of any changes.

Contact Information: For any questions or concerns regarding your data or this privacy policy, please contact us .
